

Call for Sites - Neighbourhood Plan Great and Little Kimble cum Marsh

As part of the process of preparing a Parish Neighbourhood Plan, the Great and Little Kimble cum Marsh Parish Council is keen to identify suitable and deliverable sites for new housing.

Would developers, landowners, agents, individuals and other interested parties please submit details of sites they wish to be considered for future housing in the Parish of Great & Little Kimble cum Marsh.

To be considered within the assessment, the sites submitted for potential housing development have to be capable of delivering 5 or more dwellings.

The sites submitted will subsequently be assessed for their development potential in accordance with planning policies as part of a new Neighbourhood Plan and will include those already identified by Wycombe District Council in the Kimble Landscape Sensitivity Study September 2017.

To be considered the following information
in the order set out below is required:

- 1) Name, address and contact details of the proposer
- 2) Relationship to the site – owner, agent or promoter etc.
- 3) Details of ownership of the site
- 4) A scale site plan clearly identifying the boundaries
- 5) Other background information if available
- 6) Details of any barriers to delivery
